DEAR SIR/ MADAM,

We, the N. H. Patel College of Education, Anand managed by Sardar Patel Education Trust, Anand (SPET) and affiliated to Indian Institute of Teacher Education (IITE), Gandhinagar, feel honoured to invite you in ICSSR sponsored one-day National Seminar to be held on March 17, 2023 on the theme 'Strengthen India: Gaze Notions (SIGN)'. Your scholar presence in the seminar will grace the occasion.

SPET AT A GLANCE:

Sardar Patel Education Trust, Anand (SPET) established in the year 1969. It is well known Trust established with an objective to provide quality education to the students and undertake endeavours of fortifying them. It is at the prominent stage in the field of education with contribution of visionary and scholarly personalities. The Trust is functioning under experienced and visionary Managing Trustee and Secretary Dr. Bhikhubhai N. Patel with Joint Secretaries Smt. Mrudulaben B. Patel, Shri Ghanshyambhai Shah, Shri Rameshbhai Patel, Shri Anveshbhai B. Patel and other Trustees. They are the prime power for different courses in specific and society in general. The Trust has rooted its roots with establishment of advanced and demanding courses of Society and the Students' urge. The banyan tree of SPET grew up with its' glorious branches as Educational Institutions from KG to Higher Education. The SPET offers varied courses which covers more than 10,000 students in different disciplines. The Trust is providing healthy atmosphere and freedom to its institutions to transact educational courses.

ABOUT NHPCE:

Vision: Qualitative contribution through teaching-learning process for the empowerment of the nation

Mission: To contribute highly professional & highly ethical teachers through rigorous training for comprehensive development of the nation

The N. H. Patel College of Education (NHPCE) is affiliated to Indian Institute of Teacher Education (IITE), Gandhinagar, Gujarat. NHPCE established by SPET in the year 1971 with the objective of catering Teacher Education to the student-teachers to fulfil their expectation according to the demand of the society. This college is transacting Teacher Education to the student-teachers and provided teachers to the schools in smooth functioning of education. In the run of 50 years of successful transaction of education, 10 Student-teachers have achieved University Gold Medals, whereas 11 Student-teachers achieved Gold Medals in Gujarati Method too. The institution continuously reviewed and transformed teaching-learning practices to meet the challenges of the new era. It has organized more than 21 Seminars and other programmes to interact and to upgrade education and Teacher Education. This ICSSR Sponsored National Seminar has been organized by the college with contributing to 'Azadi ka Amrit Mahotsave' to gaze the past, present and future signs for strengthening India.

ABOUT THE SEMINAR:

India became independent in the year 1947. It took steps towards progress and development in every spheres of its citizens' life. The leaders of independent India planned to bright future of India. The vision of Indian freedom fighters was taken in consideration. In span of 75 years from independence, India has taken giant self-reliant steps in Governance, Defence, Technology, Education, Industries, Medicine, Finance, Agriculture, Service Sector etc. Slowly and steadily India proceeded to progress and self-reliance. Visualization of strengthening India is essential through gazing specific indications in celebration of 'Azadi ka Amrit Mahotsave'. The visions of freedom fighters, concurrent leaders of Independent India and present leaders of India are essential to think for well functioning of India and progressive life of its citizens. Signs are required to find out and discuss about ideas of India, harmonious life, achievements, deprived sections, skill-brain of India, technology and current education policy in strengthening India. Theme and sub-themes of the seminar will provide direction to think, conduct research, and prepare papers followed by platform for sharing presentation and discussion in the seminar. Findings, recommendations and conclusions from discussion would lead towards implementation for strengthening India.

THEME:

'Strengthen India: Gaze Notions (SIGN)'

SUB-THEMES:

(1) Ideas of India

India has vivid past with its culture, sustainability, ancient literature, traditions and splendid heritage, even though having diversities. Apart from diversities, the people of India required to live in harmony with prosperity in right direction to form 'Ek Bharat, Shreshth Bharat'. Signs of development are essential to draw the extent of achievement of ideas of India from the year 1947, followed by present status and future expectations. Ideas from different sources in constructions of India have been required to be discussed.

(2) Innovation, Peace & Unity

In strengthening India, innovations, peace and unity of the nation were expected in main objectives. It was also included that every citizen must work towards innovations with peace unity of the country, which would lead to progress and development and welfare in lives of people of India.

(3) Educational and Social Achievements @ 75

Hence India is celebrating 75th years of independence, it is very essential to be acquainted with educational and social advancement of all people of India. Education, directly and indirectly, gives opportunity to learners to develop their social skills at school in all areas of life and work. In this way educational and social development are looked-for to bring to light.

(4) Education for Sustainable Development

Quality education is an essential tool for achieving a more sustainable world. Education for sustainable development (ESD) promotes development of knowledge, skills, understanding, values and actions required for creating a sustainable world, which ensures environmental protection and conservation. Education and its achievement in India are also necessary to follow by ESD from local to global.

(5) Women, Children and Deprived sections (WCD) @ 75

None from India must be away from contribution in the strengthening India. Strengthened people would contribute to India at greater extent, where each and every individual seeks attention to contribute in development. In this consideration, Women, Children and Deprived sections (WCD) must be enough strengthened. So it is essential to know the position of WCD in the society, their growth and development, initiatives taken by government for their upliftment.

(6) Transmission of India to next generations

India is an incredible country which has a glorious history of knowledge, culture, arts, sculptures etc. It has prosperous and progressive ancient culture in every spheres of life. Efforts are essential to draw signs and to provide inputs for transmission of well-functioned and well-developed India to next generations.

(7) Brain India & Skill India

For contribution in growth in Indian economy to compete with other developed countries of world it is necessary to implement skill India campaign in an effective manner. Government of India launched SKILL INDIA on 15-July-2015, the occasion of the first-ever World Youth Skills Day. Along with skills, the brains of India are unique at global level. Their intelligent inputs are contributing at international level. The brains might be used in science, technology and development of India by their involvement. Brain drain also requires to stop and to utilize for India, and Skills and Brains of Indian people are require for sharpening their performance and efficient achievements.

(8) Digital India

Digital India program is a campaign launched by the Government of India on July 2, 2015 with "Power to Empower" motto. It indicated nine pillars of the digital India program. It is a welcome step in shaping India of the 21st century powered by connectivity and the technological opportunity. Digitally strengthened India will lead India to become Super power.

(9) Advanced Technology in Education

In an age of continual change and growth, the school and college campuses have the opportunity to expose students to the advancements being made in technology through engagement with new tools, platforms, and informational websites. Moreover, teachers are also emphasised to prepare techno savvy students. Advanced technological development and students' learning in India will contribute in strengthening India in this technology era.

(10) NEP 2020 and development of India

The National Education Policy 2020 (NEP 2020) is formulated to revamp education system and lay down road map for new India. Implementation of NEP 2020 would be a great challenge. There will be liberal environment of autonomy to promote freedom of academic delivery, scope of research and emphasis on innovation. Successful implementation of NEP 2020 required thorough understanding, strategy planning and fruitful classroom transactions. So thinking and discussion on desirable steps is required for applying NEP 2020.
