DEAR SIR/ MADAM,

We, the N. H. Patel College of Education, Anand managed by Sardar Patel Education Trust, Anand (SPET) affiliated to Sardar Patel University, Vallabh Vidyanagar, feel honoured to invite you in RUSA Component No. 11, Faculty Improvement Scheme (KCG) sponsored one-day National Seminar to be held on January 6, 2026 on the theme ‘Digital Empowerment and Cyber Safety’. Your scholar presence in the seminar will grace the occasion.

SPET AT A GLANCE:

Sardar Patel Education Trust, Anand (SPET) established in the year 1969. It is well known Trust established with an objective to provide quality education to the students and undertake endeavours of fortifying them. It is at the prominent stage in the field of education with contribution of visionary and scholarly personalities. The Trust is functioning under experienced and visionary Managing Trustee and Secretary Dr. Bhikhubhai N. Patel with joint managing trustee and secretary Shri Anveshbhai B. Patel, Joint Secretaries Smt. Mrudulaben B. Patel, Shri Ghanshyambhai Shah, Shri Rameshbhai Patel, and other Trustees. They are the prime power for different courses in specific and society in general. The Trust has rooted its roots with establishment of advanced and demanding courses of Society and the Students’ urge. The banyan tree of SPET grew up with its’ glorious branches as Educational Institutions from KG to Higher Education. The SPET offers varied courses which covers more than 15,000 students in different disciplines. The Trust is providing healthy atmosphere and freedom to its institutions to transact educational courses.

ABOUT NHPCE:

Vision: Qualitative contribution through teaching-learning process for the empowerment of the nation

Mission: To contribute highly professional & highly ethical teachers through rigorous training for comprehensive development of the nation

The N. H. Patel College of Education (NHPCE) is affiliated to Sardar Patel University, Vallabh Vidyanagar, Gujarat. NHPCE established by SPET in the year 1971 with the objective of catering Teacher Education to the student-teachers to fulfil their expectation according to the demand of the society. This college is transacting Teacher Education to the student-teachers and provided teachers to the schools in smooth functioning of education. In the run of 53 years of successful transaction of education, 10 Student-teachers have achieved University Gold Medals, whereas 11 Student-teachers achieved Gold Medals in Gujarati Method too. The institution continuously reviewed and transformed teaching-learning practices to meet the challenges of the new era. It has organized more than 21 Seminars and other programmes to interact and to upgrade education and Digital Empowerment and Cyber Safety will highly useful as it directly addresses the critical need for individuals and organizations to navigate the modern, interconnected world safely and effectively. It provides essential knowledge and skills that serve as a fundamental defence against growing digital threats.

ABOUT THE SEMINAR:

In today’s rapidly advancing digital era, technology has become an integral part of education, communication, governance, and daily life. While digital tools offer immense opportunities for growth, innovation, and empowerment, they also bring challenges related to privacy, safety, and responsible use.

The seminar on “Digital Empowerment and Cyber Safety” aims to create awareness and build the necessary skills to navigate the digital world confidently and securely. Participants will gain insights into safe online practices, cyber hygiene, data protection, and ways to prevent. The session will also highlight the importance of digital literacy, the role of technology in personal and professional development, and the need to become responsible digital citizens.

Through expert talks, interactive discussions, case studies, and practical demonstrations, the seminar will empower learners, educators, and community members to use digital platforms wisely while ensuring their security and well-being.

This seminar is designed to help participants make informed digital choices, protect themselves from online threats, and leverage technology for positive transformation in education, work, and society.

THEME:

‘Digital Empowerment and Cyber Safety’

SUB-THEMES:

- 1. Emerging threats in cyber security: Trends and challenges
