Your scholar presence in the seminar will grace the occasion.

ABOUT NHPCE:

Vision: Qualitative contribution through teaching-learning process for the empowerment of the nation

Mission: To contribute highly professional & highly ethical teachers through rigorous training for comprehensive development of the nation

The N. H. Patel College of Education (NHPCE) is affiliated to Sardar Patel University, Vallabh Vidyanagar, Gujarat. NHPCE established by SPET in the year 197

1 with the objective of catering Teacher Education to the student-teachers to fulfil their expectation according to the demand of the society. This college is transacting Teacher Education to the student-teachers and provided teachers to the schools in smooth functioning of education. In the run of 53 years of successful transaction of education, 10 Student-teachers have achieved University Gold Medals, whereas 11 Student-teachers achieved Gold Medals in Gujarati Method too. The institution continuously reviewed and transformed teaching-learning practices to meet the challenges of the new era. It has organized more than 21 Seminars and other programmes to interact and to upgrade education and Teacher Education. This KCG Sponsored National Seminar explores how Viksit Bharat 2047 contribution remain relevant for building a strong, united and progressive India.

ABOUT THE SEMINAR:

The National Education Policy (NEP 2020) introduced a Vision for radical changes in Indian higher education, As highlighted in the opening section of the policy document, achieving the United Nations Sustainable Development Goals was the major inflection point leading to the development and announcement of the policy, While the NEP 2020 implementation is in progress with series of Interventions and plans, the call for Viksit Bharat: 2047 adds another inflection point to re-think and re-define the role of higher education in shaping the growth roadmap of India. The Indian higher education system is globally recognised as one of the most diverse and largest. The role of higher education is critical in realising the Viksit Bharat @2047. In the presented national level Seminar, teachers reaching from Kindergarten School to post graduate level, researchers, trustees etc. will try to solve their problems by participating.

Education's pivotal role in achieving India's vision. strategies for leveraging education to drive economic growth, promote innovation, foster inclusivity, and build a knowledge-driven society. quality education, skill development, and values-based learning in shaping India's future and empowering. education's role in realizing Viksit Bharat 2047.

"Viksit Bharat 2047: The Role of Education in Nation-Building" explores education's pivotal role in achieving India's vision of becoming a developed nation by 2047. The seminar discusses strategies for leveraging education to drive economic growth, promote innovation, foster inclusivity, and build a knowledge-driven society. It highlights the importance of quality education, skill development, and values-based learning in shaping India's future and empowering its citizens to contribute to nation-building. The seminar aims to foster dialogue among stakeholders to create a roadmap for education's role in realizing Viksit Bharat 2047.
